Has Anchored

The White Star Line

S. S. "Adriatic"

...IN THE... JEFFERSON HOTEL LOBBY

The public is invited to see this wonderful model of the great White Star Line S. S. "Adriatic," which is now on exhibition in the Main Street foyer of the Jefferson Hotel.

The model cost \$6,000, is 17 feet long, and is correct in every detail—in fact, a perfect miniature reproduction of this mammoth and palatial twin-screw steamer, which made her maiden voyage in May, 1997. She is 736 feet long, 75 feet beam, and has proven her worth as a comfortable and steady sea boat.

Among the new and novel features that have been introduced are a commodious Lounge on the Boat Deck in addition to the Reading and Writing Room and Smoke Room, an Elevator, Turkish and Electric Baths and Gymnasium. The Lounge is a magnificent public apartment, panelled in cake, where both ladies and gentlemen resort to enjoy cards, music, tea or coffee, and smoking and liquors are, here provided.

The Turkish Bulbs consist of the usual hot, temperate and cooling rooms, shampooing rooms, and massage couches. Electric baths and a plunge bath are also provided.

The Blevator is electrically controlled and runs from the saloon to boat deck; serving four decks. A fine String Orchestra of skilled musicians carried. The "Adriatic," as well as the other steamers in this service, is equipped with the Marconi system of wireless telegraphy and deep sea signaling apparatus.

"ADRIATIC" SAILINGS in the near future are on May 26, June 23, July 21 and August 18.

Come and look at the beautiful model at the Jefferson, and book your tickets with
